* The recreated natural colouring of the stone grey P.10 colour varies widely in shade, giving the product its distinctive character. This also applies to the P.10 sand brown, P.10 rust brown, P.10 patina green, P.10 patina grey and plain aluminium colours.

P.10 COLOUR-FAST SURFACE

With PREFE P.10, we have developed a surface that meets even the highest quality standards. The PREFE P.10 surface coating is the ideal complement for many PREFE products. The result is a material which withstands external influences and stresses and at the same time is incredibly light and stable, offering a wide range of planning and design possibilities.
